CHRISTMAS FEAST

Wishing you a *Wonderfilled* Christmas

Have a *Wonderfilled* Christmas with Avoca.

This Christmas, we're celebrating the joy of the little things. Those precious moments of wonder that pass in an instant. From the look on a little one's face as they open a carefully chosen gift, to savouring each bite of a much-loved festive dish, this Christmas is all about cherishing life's simple joys.

There is much to bring joy in this year's offering from Avoca. Not only brimming with lovingly prepared festive goodies, you will also find our show-stopping selection of hampers, too. Our festive food range is filled with delicacies from Ireland's finest producers, as well as tasty treats made by hand in our Avoca kitchens and bakeries.

Our bakers use star shaped cutters to hand-cut stars to top our delicious mince pies. Our team have searched the country to find ham, goose, duck and more from some of the country's finest ethical and organic farmers. Our weavers still weave by hand, and our seamstresses hand-stitch each label onto our throws with love and care. Our shop staff wrap each carefully chosen gift, taking time to make sure the red and gold ribbon is tied just-so. These details may seem small, but it's the little things that count.

Let's celebrate the joy of the little things, and have a wonderfilled Christmas.
